

## Board Director Column

Dear Alumni and Friends:

I still clearly remember the moment when the NAJUA leadership was handed over to 2007-2008 teams in Chicago NAJUA annual meeting last year. But, it is the time to look at the past year as outside maple leaves start to change their color to red.

NAJUA has had a wonderful growing year. More alumni joined with us as active members. Our membership has increased to more than 90, according to a recent report. NAJUA supported regional alumni gathering allowed many alumni resumed their friendship with “long time no see” friends. It is obvious that networking between alumni and friends has been strengthened throughout the year. Association leadership teams did housekeeping work to formalize several operation procedures and to finalize several documentation forms. Also, in order to have an efficient operation process while facing the reality that all members of the Board of Directors (BOD) are scattered in the North America, BOD had trialed on 3-Directors Committee for handling BOD special projects, such as Election Committee, By-law Amending Committee, and Resources Committee. Learning from the trials will definitely be beneficial for BOD future operations.

As you know, Jiangnan University will have its 50 year Anniversary on November 16, 2008. About 10 alumni will form the Delegation of NAJUA and go back Wuxi for the Ceremony. Besides forming a delegation for the ceremony, NAJUA has been involved in the following activities:

1. Candidate nomination of outstanding alumni of Jiangnan University -- Thirteen alumni from our NAJUA have been nominated.
2. Congratulations Cards – Jiangnan University will have a designated board area for posting all congratulations cards collected from alumni in North America.
3. Symposium on Yesterday, Today, and Tomorrow of North America Food Industry sponsored and organized by NAJUA and National Central Lab of Jiangnan University will be held on Nov. 15, 2008.
4. International workshop partially sponsored by NAJUA will be held on Nov. 17, 2008

Please check the detailed information of above activities in this newsletter.

One thing I am so pleased to share with you all is that Dr. Pingfan Hong, newly joined NAJUA member and Economic Officer of United Nations, has been invited by Principal of Jiangnan University to give a speech on Global Economics on November 16, 2008.

**Board Director Column (continued)**

II NAJUA BOD members are grateful for the opportunity to serve all of you. Thanks to all alumni and friends for your trust and encouragement. Sincere appreciation will be extended to all directors and all Executive Team members for their endless support and dedication. Now it is time for us to pass on the relay stick to the 2008-2009 Teams. Dr. Wu Chao will be leading the Board of Directors and Dr. Cui Wuwei will be leading the Executive Committee. I am confident that our Executives and Board teams will continuously lead and work with you to achieve the NAJUA mission of making NAJUA more valuable to you.

Respectfully yours,  
Feng Guan  
Chair of the Board of Directors, 2007-2008

**President Column**

Dear members,

Again, hope all of you have had an excellent summer season and are enjoying a beautiful fall season.

When you see this newsletter, our 2007-2008 Executive Committee would just completed the tasks although some of us (Zihua Ao, Gary Hou, Charles Hu and Huan Xia) will continue to serve for our members in the coming year. As the President, I would first thank all the EC members for their hard work and dedication to our association in the past year. Without their great volunteer, we would not have made so many achievements and fulfilled our objectives. I will not mention each one's name and list their achievement here, but I would show the highest honors to them with my heart. Second, I would also thank our members and friends for their continuous support and friendship. And especially, my great appreciation goes to our BOD and Chairman Guan for their great guiding, assisting, and DRIVING.

I am so happy to see another success of our annual meeting at New Orleans and welcome more than 20 new members to join our family in the past year. Although we have faced some challenges, our team has managed the difficulties, increased bank balance, standardized our operational procedures, established new website, and enriched our family. Of course, we have not done a completed job. There is still some work left behind, such as publishing association brochure, increasing our visibility, and fund raising. I wish that I would help more on these activities as a BOD member in the coming years.

At last, I encourage our members to continue to support our family, our new BOD and EC teams. And I wish our NAJUA family will achieve another successful growing year!

Best wishes for you and your family!

**1. The 3<sup>rd</sup> Annual NAJUA Meeting during IFT meeting**

The 3<sup>rd</sup> Annual NAJUA meeting was successfully held at Five Happiness Chinese Restaurant on 06/29/08 during annual IFT meeting at New Orleans. Over 60 NAJUA members and friends attended the exciting event. Although we had a smaller size celebration comparing to Chicago meeting last year, everybody enjoyed the much nicer banquet lay-out and equipment. Specially, we are so happy to have 13 more new blood joined into our family and gained more than \$700 through the event. Also, congratulations on Dr. Bo Jiang and Xia Huan receiving the Outstanding Member Award due to their great service and contribution to NAJUA in past years.

First, we would greatly appreciate our banquet sponsor Proliant Meat Ingredients, Inc. for their donation of \$1000. Proliant is a global leading manufacturer of natural food ingredients derived from animal and meat sources. The CEO of Proliant Meat, Mr. Chia-Wei Chang gave an impressive presentation about the company and products. We also thank our Board director Xingqiu Lou, Manager of R&D/Application of Proliant, for his assistance in this sponsorship and also serving as the dinner meeting master.

Second, we would thank Guan Feng, Zihua, Xia Huan, Bo, Wuchao, HongDa, and Hu Chun for their great efforts to make the meeting successful. Appreciations also go to our attendees who made donations to the events.

Third, special thanks to our invited guests: the past CAFS President Dr. Martin Lo, Dr. Bruce Hamaker from Purdue University, Dr. James Wu from National Taiwan University. We appreciated their continued support. Dr. Bo Jiang, the only one representative from Jiangnan University this year, introduced recent progress of the university and the State Key Laboratory as well as the coming 50<sup>th</sup> University anniversary celebration in Nov. The new image of Jiangnan University in his presentation made every attendee encouraged.

In the meeting, both the Chairman of Board Directors Guan Fen and the President Yingchang Han summarized the work and progress of NAJUA completed in the 2007-2008. The Annual Election Committee chair Guohua Feng announced the election results. Congratulations on these newly elected members! And we are looking forward to welcome Chao Wu (Chairman of BOD) and Wuwei Cui (2008-2009 President) leading NAHUA in 2008-2009.

4. 50<sup>th</sup> anniversary

The 50<sup>th</sup> JU anniversary celebration is coming soon ( 11/16/2008). NAJUA has planned two activities to join in this special event at Wuxi:

1. NAJUA will send a delegation to attend the 50 Year Anniversary of Jinagnan University. Currently the following alumni from NAJUA have planned to join in the delegation: Wu Chao, Guan Feng, Yingchang Han, Dihui Wang, Liuming Zhou, Guoquan (Gary) Hou, Pingfan Hong, Yongmin Wang, and Wuwei Cui. The delegation will hold a symposium on 11/15/2008 (8:30am – 11:30am) during the ceremony. The main theme for the symposium will be "Yesterday, Today, and Tomorrow of North American Food Industry". Currently the following alumni from NAJUA have planned to join in the delegation: Wu Chao, Guan Feng, Yingchang Han, Dihui Wang, Liuming Zhou, Guoquan (Gary) Hou, Chun (Charles) Hun, Pingfan Hong, Yongmin Wang, and Wuwei Cui. Each delegation member will provide a 15min presentation on their expertise in the symposium. The detailed program is attached in the newsletter. We appreciate that Jiangnan University (State Key Laboratory) provides some financial support covering local expenses for our delegation. If you are still interested in joining the delegation, please send an email to Wu Chao ([cwu@hilmaringredients.com](mailto:cwu@hilmaringredients.com)) and Wuwei (Steve) Cui (email: [CuiS@AGR.GC.CA](mailto:CuiS@AGR.GC.CA)) or call Steve Cui at 519-780-8028 in Canada as soon as possible for hotel reservation.
2. One Day International Workshop led by President Wuwei (Steve) Cui. The title of the workshop is “Bioactive Natural Polysaccharides: Structures, Functions and Commercial Potentials”. The workshop is sponsored by China-Canada Science Innovation Centre on Food, State Key Lab of Food Science and Technology, Jiangnan University, NAJUAA and AAFC. If you are interested in attending this workshop, please contact Wuwei (Steve) Cui (email: [CuiS@AGR.GC.CA](mailto:CuiS@AGR.GC.CA)).
3. We encourage NAJUA members send Post Cards to Jinagnan University for congratulating 50 Year Anniversary of Jiangnan University. During the annual meeting in New Orleans, **Congratulation Cards** from Jiangnan University were distrobuted to our members. Please mail your cards to the following address no later than 11/01/2008:

江南大学社会资源部邱建平主任,  
中国江苏省无锡市蠡湖大道1800号 邮编: 214122

Jiangnan University will post all the cards from NAJUA in a designated place.
